# Little Things

## CABERNET SAUVIGNON 2021

### VINTAGE CONDITIONS

Late winter and spring rains in 2020 allowed the canopies to flourish and the vines yielded good crop loads and quality. The summer was mild, without extreme temperature variations, and the cool nights allowed the development of great aromatics and flavours. The red wines produced from the 2021 vintage are deeply coloured with classic varietal characteristics.

### TERROIR/SITE

Sandy soils of varying depth over limestone require careful water management as they readily dry out during the summer months. Supplementary irrigation strategies and canopy management are adapted to suit each individual site in order to provide a good balance of light and shade in the canopy and hence maximise fruit quality.

### WINEMAKING/VITICULTURE

Our philosophy is to take care of the little things so you don't have to. This means minimal intervention between growing the grapes and pouring the wine into your glass.

### TASTING COMMENT

A medium bodied wine displaying flavours of ripe blackcurrants, black forest cake and maraschino cherries. Full flavoured in the mouth, the wine lingers with plump ripe cherries and finishes with elegant silky tannins.

### LITTLE DETAILS

Alc/Vol: 13.5%  
pH: 3.63  
Total Acidity: 5.71 g/l  
Residual Sugar: 9.8 g/l  
Vegan Friendly
